

Notice of Non-Responsive Amendment

The reply filed on 6/9/2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the applicant has not distinctly identified how the language of claims 1 and 9 is patentable over the prior art of record. Instead the applicant makes blanket arguments about the claims 1 and 9 but does not identify which limitations in the respective claims are patentable over the prior art of record. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
